Annual Dinner

What is coming up?

Junior Board return for all allocated boards again this Sunday
8.00am – 9.00am.

The bar is closed this Friday but will be open again on Friday 8 April 2016 from 5pm.

Adult SRC course scheduled for this weekend will not go ahead due to lack of numbers.

From the President

Easter Patrol

Thanks to all members for their efforts over the year patrolling the beach. I can't emphasize enough the importance of our core business, it gives us the opportunity to have a significant presence at a great beach and do all the other things we enjoy. I did notice on Monday that Jody had all his patrol members out paddling, IRB'ing and having jet ski rides and just enjoying a really beautiful beach day. I also noted the Nock sisters and Justin showing a bit of form on surf skis and stand ups. A highlight was Gloria turning the concept of a stand up paddle board upside down by executing a headstand.

Clubrooms

Just this week we looked at the latest iteration of the concept plans and we're satisfied with the broad outline. These give us the confidence to progress to signing a MOU in the near future which will have us relinquish our lease and unlock the beach front development project enabling the MRA to start the process of awarding tenders. The timeframe is still to move out from our existing clubrooms around the beginning of May. I would imagine we'll be moving from stripping out the club and stacking containers directly to the Rendezvous for the Annual Dinner. Maybe the dress code should be hard hat, work boots and fluoro?

Gone Gear

Following on from above, it's time to start removing private competition gear from the club. I'm aware that for some people that will be a struggle but if you haven't arranged something for storage already it's time to do so.

Bodgies and Widgies

About the Annual Dinner, notwithstanding the above I note that the dress code is cocktail dress and lounge suit and the theme is the "Snake Pit". While I'm far too conservative to attempt a period costume I wouldn't be surprised if that wannabee best dressed Scarborough male Josh Drummond might try and emulate the rebel of the time, the bodgie. Josh already mentioned that he had a crushed velvet jacket and if he paired that with tight pants, a skinny tie and slicked back hair he might just define the archetype.

Aussies Meeting

We will be having a meeting in the club hall on Friday 8 April at 6:30pm to run through a few things and pass on some information.

The club bar will be open from 5:30pm and some finger food will be provided. We will also be having a guest speaker.

Competition

Congratulations to the competitors on the weekend, and previous weekends. Scarborough was well represented in most arenas on the beach.

Thank you from me and from all involved to the many volunteers who gave up their time and so capably officiated, coached, set up, packed up, fixed equipment, cheered...

Next stop... the Aussies.... And I know you are all on track with this and keeping in touch with the office and your coaches!

Nicole Tolev

Ski Paddlers

INTERESTED IN SKI PADDLING?

Or do you want to become the next Shannon Eckstein or Jordy Mercer? Either way, ski paddling is an integral part in Surf Life Saving. Whether you are looking to become an iron person or a specialist paddler, you have to start somewhere. The Scarborough Surf Club has a great history and tradition of ski paddling in and we are continually looking for anyone interested in paddling for Scarborough to keep this tradition going strong. If you have your bronze and are U/25 and want to try out, we are conducting trials at the Club Sunday April 3 at 9am.

We will have experienced paddlers to help you set up the ski and guide you through the basics of paddling. From there, if you think paddling is the sport for you, we will coach you to become a competitive paddler for the coming 2016/17 season and hopefully beyond. We have planned training sessions for all levels of ability and, under the guidance of Scott Wright, Bob Welch and Mike Pond, we will get you flying in no time.

If you or your parents have any questions, please email Scott Wright - sfwright@icloud.com

STATES WRAP

We had quite a successful States picking up 9 medals overall. We saw some fantastic performances and some highlights throughout the weekend...and on Sunday evening. Enough said on that. We are building a solid and competitive squad and on the back of these performances, we see a bright future for all of our paddlers.

RESULTS

- 1st U/19 Female Double - Annabelle Standing + Asa Nowell
- 2nd U/21 Male Single Ski - Nick Pond
- 2nd Open Female Double - Kylie Broad + Asa Nowell
- 2nd Open Mixed Double - Brett Casidy and Asa Nowell
- 2nd U/19 Female Ski Relay - Annabelle Standing, Asa Nowell + Ellie Schifferli
- 3rd U/21 Male Single Ski - Brett Cassidy
- 3rd Open Female Single Ski - Kylie Broad
- 3rd U/19 Female Ski - Annabelle Standing
- 3rd U/19 Male Double - Lachlan Wright + Angus McMillan

PRE SEASON TRAINING

Training for next season will start mid May. In the meantime, make sure you keep yourself fit by running or swimming. If you want to hit the gym, concentrate on body weight exercises - Chin Ups, Push Ups etc. A workout plan will be posted on the Scarborough Ski Paddlers Facebook page.

Race Secretary Report

With the 2015/2016 surf season at an end, I would like to thank all those members who have assisted me with the running of all intraclub events, in particular, Kathy Stewart and Eric.

The **2016 SCARBORO POLAR BEAR** will commence on Sunday 3/04/2016 at 10am. The canteen will be open from 9am with hot coffee and freshly baked scones.

I am looking forward to you all on Sunday morning.

Brian Hall
