Presidents Message

Compound

Now we have access to the temporary compound work can start on re-arranging the gear we stowed there. First up this weekend are the IRBs that have been stored at club patron Liza Harvey's lockup in Osborne Park while the racing season was on. While the weather is looking decidedly average, we'll hopefully be down there at 9:00am Sunday if you want to check it out. Over the coming months we'll be relocating the racking and the rescue and competition boards that are currently stored in the container at club sponsor O'Rourke Realty on Scarborough Beach Road.

New Club Rooms

The lodging of a development application inches closer and as soon as one is lodged we'll be asking the architects to give members a briefing of the plans. We're looking at setting up a committee or committees to work on the detail planning and on funding our contribution to the fit out of the building.

The Rod Dalziell Suite

Fit out will be commencing soon on the interior of the 20 foot container at the compound that will become the personal parlour of Life Member and former Numb Nut Rod Dalziell. Rod has regained feeling in his nuts and he wants to keep it that way so the container will have greeting room and a change room with heated towel rails, hot water, toilet and bidet. Also, expressions of interest have gone out for the position of a gentleman's gentleman. Rod will be taking the waters in a special annex that will be added to the compound by the pool building contractor.

Presidents Message

Social Officer

One of the positions we've not filled is that of Social Officer. Given the diaspora of club members this role takes on greater importance. The Social Officer isn't expected to work alone, rather direct and work with a committee to plan and run formal and informal events for the club. If you're Interested and have some ideas we'd love to hear from you.

Should Northern Koala Bear Swims Count?

Winter swimming continues at Trigg while we setup the temporary compound. It has been suggested to me that swims completed at Trigg shouldn't count. It seems our 'Polar' Bears have adapted to the changes brought on by hot shower climate change and are no longer able to take a cold one. I fear for the future of polar bears if there is any basis to the theories of Lamarck.

Education

Silver Medallion Basic Beach Management (Patrol Captain) Course

Briefing session:	Wed 20 Jul 7-7.45pm
Session Two:	Sat 20 Aug 1-4pm
Session Three:	Sat 10 Sep 1-4pm

Bronze Medallion Course One

Commencing with Pool Swim Sat 30 July 2pm at Bold Park
Assessment scheduled for Thu 15 and Sat 17 September

Bronze Medallion Course Two

Commencing with Pool Swim Sat 29 Oct 2pm at Bold Park
Assessment scheduled for Thu 15 and Sat 17 December

Senior First Aid Course One

Mon 19, Tue 20 and Wed 21 September 6-9pm each night

Senior First Aid Course Two

Mon 19, Tue 20 and Wed 21 December 6-9pm each night

ARTC Course One

Thu 29 Sep 7-9pm

All expressions of interest to Bel Kuster at belindakuster@bigpond.com or 0408259941

Champion First Aid

People interested in competing in Champion First Aid State Championships (U15, U17, U19 and Open divisions) please contact Bel Kuster belindakuster@bigpond.com or 0408259941 for more details.

This competition is aimed at those interested in competing in patrol and first aid type scenarios, with no emphasis on physical ability, however a cool head, patrol awareness and Senior First Aid certificate are a huge advantage.
