"ECHO" CLUB NEWSLETTER

PRESIDENT'S PEN – Alan Carville

Juniors

Registration day is this Sunday the 25th at the northern club compound. We need our juniors back so if you haven't already registered online come down this Sunday, 25th September from 9-11am and look around, we'll hopefully have a sausage sizzle happening.

Patrols

Our first patrols will be on the beach next weekend. I believe there is a meeting at the club compound this weekend to ensure all the gear is available and cover off on other detail. Keys will be distributed to patrol captains at this time.

Parking

There will be limited designated parking bays for patrolling members only this season and their use will require a club parking sticker. While City of Stirling rangers will police the car parking bays for club or CoS lifeguard vehicles the club will need to self-regulate with only members on patrol using the parking spots.

Container Usage

Blair is meeting with competition captains to work out a compromise on available storage and room. Our focus is patrols and juniors but we also need to provide some options for competition gear that is needed on a regular basis. Given that surf boats are stored at sweep's homes we need to arrive at a fair solution. As part of this a live saving only container where all equipment ready to go for patrols may be configured rather than the current situation across a number of containers.

New Building

The building committee have been working their way through the detail of the fitout of the new building, down to power points and taps. Everyone wants to see the plans so hopefully Deb, Ash and Jody will have something to present soon.

Travel Section

All this travelling overseas has made me envious. By the weekend everyone should be back and we all know the rules about holidays in surf season.

Kath and Nick Stewart

The Stewarts are returning soon and the last posting I've seen has them in Cornwall where one crusty old sea dog can be seen giving advice to a local lifeguard.

Jenny and Mick Wright

This is an old one because Mick and Jenny are now back from their jaunt through Europe but plenty didn't see this when I shared it. I don't know what the rules are with Facebook but I'm friends with John on FB and he shared a post by one of his mates. Below is the post and the photo.

Small world and good people meet in Vannes, France.

So I'm buying lunch at my standard Delicatessen Bakery and I detect Australian voices. So I ask the question, and it turns out this guy is from Marmion, WA. A few sentences later and we've established the surf link, (he competed on skis) and I suggest he might know you, John Lishman, which he does. He even has a photo of you finishing a race next to his son in their living room. Michael Wright is member of the Scarborough surf club. A great couple obviously enjoying life. Love this stuff!!!!

COMPETITION – Beach Captain: Glenn Ross

Round 1 of beach series was held at City Beach last weekend. We had a small group in attendance, with Imogen Spencer & Kaleigh Spithoven having multiple wins in sprints and flags events.

Hannah Jones and Ellen Kozlowska competed in the Ironwoman race, coming 2nd and 4th. Congrats to Trent Huzzard on his performance too. Great Effort Team!

BOARDS – Board Captain: Chris Kuster e: boardcaptain@scarboro.com.au

Board Squad Machinations

#1: First Session:

To celebrate the Queen’s Birthday Public Holiday next Monday, Scarborough Board Squad will have its first official training session of the season between 7:30am and 8:30am. And afterwards for those interested we will go over to C-Breeze for a bite to eat of warm to drink. So bring something warm to wear and your money of course!

#2: Thankyou

A massive thank you to Graham Croft who has constructed a racking system for the Board container and so we can now shift Club craft to The Compound.

LOFESADONG – Lifesaving Officer: Tracy Footitt

Patrol Captains Meeting – There will be a meeting for all Patrol Captains and Vice Captains Sunday 25th September 10am at the compound. TC and I will walk the Patrol Captains through access to the compound and the tower.

Working with Children's Check – All Patrol Captains and Vice Captains are now required to have a working with children's check. Patrol Captains and Vice Captains should either collect a form from the Post Office and send it to Kerry in the office to have the Surf Club requirement completed, or collect a form from Kerry that has already been pre-filled with the Surf Club component. If you have any questions at all please contact me.

All Patrol Teams and Rosters for the coming season will be available on the club website tomorrow afternoon. Please take the time to have a look at your rostered patrol for the season as I have had to move people around to balance out some numbers. Please also make a note of the dates of your patrols so that you know in advance when you have a patrol and can organise a proxy if required. Let me know if you have any questions at all.

NODPERS – Nipper News: Nicole Tolev (Junior Officer)

Now that your winter sport commitments are almost over and drawing to an end, it's time to get excited and welcome the Surf, Sun and being a Scarboro Nipper again. The 2016/17 Scarboro SLSC Junior Registration Day will be held on Sunday, 25th September from 9-11am at the temporary Scarboro Surf Life Saving Club rooms located to the north of the amphitheatre between Manning and Reserve Street.

You can register on the day for Little Nippers (5 to 6 years) Juniors (7 to 13 years) and Cadets (14 to 15 years). You can also avoid the rush and register online. Our membership fee structure can be found online at www.scarboro.com.au

2016/17 Preliminary Evaluations

Preliminary evaluations are to ensure that Nipper participants taking part in the program for the coming season are fit and able to meet the requirements of the SLSWA Nipper Education program and must be conducted prior to the commencement of formalised activities. In order to alleviate the process for completing preliminary evaluations, clubs may now utilise third-party sign offs for nipper participants, provided they are from a registered learn to swim provider.

For participants that have not completed any of the corresponding awards from the following recognised programs, a Preliminary Evaluation MUST be conducted. Preliminary evaluations can be conducted in either the pool or the ocean, but please note that all ocean based evaluations must be conducted in accordance with the water safety requirements as set out in SLSA 1.01a – Water Safety Procedure document.

Scarboro will be conducting our Preliminary Evaluations for all Junior Nipper groups at:-

YOUTH GROUP – Youth Development: Micky G

Hey Youth Group ...

Long time no talk. Spring has sprung!?!? Sort of.

See ya at the new club at 9.30am on Sunday 25th

September for sign up day and for a chat about what the “Youthies” are up to in 16/17 season.

Lock in Camp Lano Fri - Sun 25th, 26th and 27th

November.

If you don't receive the Echo (the Cub's weekly email) then email

ya Youthies buddies about the above info and of course if you have any cool or not so cool friends that wanna become Youthies get them down to the beach sooner.

Love and wisdomism. xoxo
