## “ECHO” CLUB NEWSLETTER

### PRESIDENTS PEN – Alan Carville

#### State Masters

It's always a pleasure to be at the Masters as an official because with only a few exceptions the atmosphere is relaxed and good humoured.

That's not to say it isn't competitive but old enmities aren't forgotten but have been transformed into friendly rivalry and a well delivered put down is as much a victory as coming first past the post.

Perennial medal winners Jose Desfosses and Graham Croft each won a swag of medals but no one had any energy to party hard afterwards with the nanna nap being the preferred wind down.

Oh to be young again!

## Open States

This weekend is a little more serious with the Open States taking place over the two days at Trigg.

We've had a pretty low key competitive year but we will be breaking out the gold table at the SportsPersons Club on Sunday night so Scarboro expects that every competitor will do their duty and we'll have some Open State Titles table action at the wind up to go with those medals we've won at the IRB States and the like.

Junior States are up next and we've a great group ready to battle it out at Trigg.

## Scorchers on Fire for Rotto

With a combined age of just two years greater than the minimum our female team of Holly O'Brien, Hannah Jones, Ellen Kozłowska and Jessica Cake finished in 14 place overall and were the fourth female team in a time of 5hrs 43mins 17seconds.

With 3km to go there was some friendly rivalry in close quarters however the girls were pretty fired up and picked up the tempo to come in 6mins 30 seconds ahead of the next team. Conditions were warm but a bit lumpy with a north to south drift.

Great paddling by Taneisha and Annie who kept them on track the whole day. Jane Harwood also competed well in a team and Kim Williams completed a solo crossing.

The Scarboro water safety crew did a fantastic job at the finish chute and from what I saw on FB, a less impressive job in the pub afterwards.

## CLUB REDEVELOPMENT UPDATE - Jody Ballard (Vice-President)

Keep an eye out in your inbox later this week for our Member Information Brochure on the redevelopment, this will come on a separate email so it doesn't get lost. This has been produced by the MRA to showcase the upper and lower building design and answer some of the more common questions from the briefing they held for our members.

In addition to the brochure you are welcome to join the Executive at the Senior State Titles Afters to discuss any questions not covered in the Member Information Brochure.

Just a reminder that in the Wilson carpark on Manning Street there are 200 free all-day bays clearly marked on **level six and above**, all other bays are free for the first two hours or \$5 all day parking.

As promised we will continue to address the myths around our own redevelopment, which we will be doing each week, if you would like to submit an anonymous question or myth you've heard then email [vicepresident@scarboro.com.au](mailto:vicepresident@scarboro.com.au).

**Myth:** There won't be space to store personal craft in the new building.

**Fact:** With over 750sq metres of storage space we have included provision for both Club and personal equipment to be stored. Compared to the previous Club this is a significant increase to help future proof us for member growth and more importantly it is better laid out with easy in/out access in each storage area so we can use the space more effectively.

## MEMBER ENGAGEMENT SURVEY Reminder : Jody Ballard

Our member engagement survey is still open and we encourage you to complete it as it will help shape our future direction as a Club. All responses are anonymous unless you choose to provide identifying information in the comments section at the end.

The survey is accessible via the link below and will remain open until midnight WST Friday 3<sup>rd</sup> March 2017.

<https://www.surveymonkey.com/r/SB-SLSC-17>

If you have any questions in relation to the member engagement survey then please contact Jody Ballard on [vicepresident@scarboro.com.au](mailto:vicepresident@scarboro.com.au).

## STRATEGIC PLANNING SESSION Expression of Interest

The Executive are seeking expressions of interest from members who would like to contribute to our new strategic plan – “Scarboro 100 – 2017-2018”.

We are seeking expressions of interest from members who would be interested in attending a planning session to assist with the generation of ideas and the development of our plan We are looking for a diverse group of members covering all ages, genders, surf lifesaving involvement and employment backgrounds to encourage a diversity of thought and ideas on the day.

If you are interested in attending then please complete and submit e-form using the below link before Friday 3<sup>rd</sup> March 2018.

## LIFESAVING NEWS – Tracy Footitt and TC

There is an URGENT request for any patrolling members that aren't competing this weekend at the Senior State Masters to please come down and assist with a few patrolling hours.

Especially Sunday pm shift, this is patrol with great concern as a number of these rostered members will be competing at Senior States and therefore unable to attend their patrol.

This is an opportunity for our Active Reserve members to validate their contract with the club, which requires at least two patrol per season to be completed.

**PATROL ON DUTY THIS WEEKEND-:**

If you are able to assist, please report to the Patrol Captain, so you can manually be added to the patrol log.
