## “ECHO” CLUB NEWSLETTER

### PRESIDENT’S PEN – Alan Carville

#### IRB Racing

We congratulate the IRB Racing Team on their performances at the National Titles.

The male teams made the quarter finals while Hannah O’Neil, Emily Regan, Kate Irwin, Hollie Sheils-Rudd, Taneisha Lincoln and Alexandria Budge the final of the Open Female Teams finishing fifth against the best in Australia.

In the Interstate Challenge Taneisha, Hollie, Hannah and Emily were in the teams that finished in second in the Open Mixed Relay and third place in the Open Female Teams.

#### A Roof Over Our Heads

This picture from last weekend shows the roof is now over the lower level operational area of the club. This will be covered with landscaping which includes a pedestrian path that will stretch from the southern to the northern end of the beachfront. Evening promenade when the sea breeze isn’t too strong? In the photo the public showers and toilets are in the foreground with the training room, gym and club change rooms in a line running toward the curved external feature that approximates to the

lift for the two story pool restaurant and café complex. Form work for the stairs from the lower promenade level to the beach level is obvious. The shop and kiosk curves around to the equipment store that runs south, parallel to the water line. The pile of structural steel to the right is at the approximate position of the first aid room, Beach Services administration and the new tower.

## SCARBORO EXEC, OFFICER & CAPTAIN POSITIONS for 2017/18

As you are all well aware our Annual General Meeting was held on the 23<sup>rd</sup> June 2017 at SLSWA. There were a few changes to our EXEC Team, Deb Whitehurst and Blair Redfern stepping down and making way for Marissa Welch and Garry Silk to join the EXEC Team.

Last Tuesday night the EXEC Team met and we'd like to congratulate the below listed members who have put their hand up for the upcoming season to take on Officer or Captain roles.

If any members would like to get in contact with them to congratulate them on their appointment or to discuss any issues or concerns you may have, please feel free to email them on their designated Club Email address. These will be set up by COB on Friday, 21<sup>st</sup> July 2017.

## **BEACH SPRINT TRAINING – Glenn Ross** [beachcaptain@scarboro.com.au](mailto:beachcaptain@scarboro.com.au)

We are working through pre-season training for our beach sprinters and getting ready for early season athletics competitions.

The first official carnival isn't until late November, however we will probably have 'unofficial' events with other clubs in October.

If you would like to know more about our training sessions, please contact Glenn  
[beachcaptain@scarboro.com.au](mailto:beachcaptain@scarboro.com.au)

Closer to the start of carnivals, we'll recommence Sunday Morning beach sessions. All other sessions are conducted away from the beach and additional fees are required, as we train at private facilities.

# POLAR BEARS – Episode #1 : Polar Bears are Cooler

Smooth seas with some bigger waves welcomed the swimmers on Sunday July 2<sup>nd</sup> and a good swim was had by all. Still again it seemed the course is getting longer and the A Graders took a detour to the left in a rip to make it even worse.

John Snook confirmed the shoulder is on the mend with a convincing win in A Grade and that should be then end of easy handicaps for him. He even took a wave with the bad shoulder. Nick “Mack Horton” Dale was in action again with the powerful backstroke on show once he had rounded the last can and made second. Stefan Delac showed he has recovered from Europe to finish third.

Almost as usual Peter Tanham was fastest, packed his bag and went home.

In the B Grade it was a day for the old timer or old stagers. Gules D’Alessandro made it quickly through the waves, checked his position at the first can, realised there were not many going to make it, and went for broke to win convincingly. Jose Desfosses swam well for second and fastest time, with Doug McGhie in third.

Brendan O’Leary was not satisfied with the length of the swim and donned his flippers after the A Grade to go out and lengthen the back course yet again. Stefan Delac was trying to convince him to leave it as it was.

Rosie and Bob looked after starting and recording for the day, dressed rather more sensibly than the rest of us.

Results for the day were:

A Grade: 1st John Snook, 2nd Nick (Mack Horton) Dale, 3rd Stefan Delac Fastest Peter Tanham

B Grade: 1st Gules D’Alessandro, 2nd Jose Desfosses, 3rd Doug McGhie, Fastest Jose Desfosses.

Don’t forget swimmers that a gold coin contribution is due to Rosie for each swim.

## POLAR BEARS – Episode # 2 : Milestones

For two Polar Bears there were significant milestones on Sunday July 9<sup>th</sup>. John Snook completed his 500<sup>th</sup> swim, to join a small group with that many swims behind them. He was joined at a lower number by Marty Gribbon who completed his 200<sup>th</sup>, not bad for a late in life arrival at Polar Bears. Both of these milestone men have been excellent contributors over the years. The Sunday presented reasonable conditions with deeper water, few waves caught and a trap for young and old, with a strong rip running away from the finish line. This affected several of the B Grade swimmers, although not the winner Chris Dickson who had a clear run all the way.

Everyone's suspicions that the course is getting longer were confirmed that Sunday when the second buoy was nowhere to be seen. It was later confirmed that Brendan O'Leary had moved it to Trigg demonstrating his policy of ever longer swims. Evidence of his work on the buoys between swims was given in the previous week's report. However, he did not show up for the swim, possibly fearing for his life. All other swimmers refused to complete such a long course and a temporary second buoy was set to match the location of the outwards rip so most swimmers still had to suffer.

Having been given the largest handicap he had ever seen John Snook went to work on correcting that, proving that while the shoulder is on the mend it is not yet perfect, placing well back in the field. Given pretty smooth conditions Kathy Brooks (leaving the water above) went for broke to win the A Grade, beating the visiting Busselton jetty swimmer, Darryl Kelly, with Cameron Desfosses third. No surprise that Peter Tanham was yet again fastest.

The B Grade swim was easily won by one of the crafty old timers with Chris Dickson a clear winner and certainly a grinner. Shane Cornell was second and fastest with Brian Hall showing no ill effects from world travel and a crook elbow to finish third.

A Grade: 1<sup>st</sup> Kathy. Brooks, 2<sup>nd</sup> Darryl Kelly, 3<sup>rd</sup> Cameron Desfosses, Fastest Peter Tanham;

B Grade: 1<sup>st</sup> Chris Dickson, 2<sup>nd</sup> Shane Cornell, 3<sup>rd</sup> Brian. Hall, Fastest Shane Cornell.

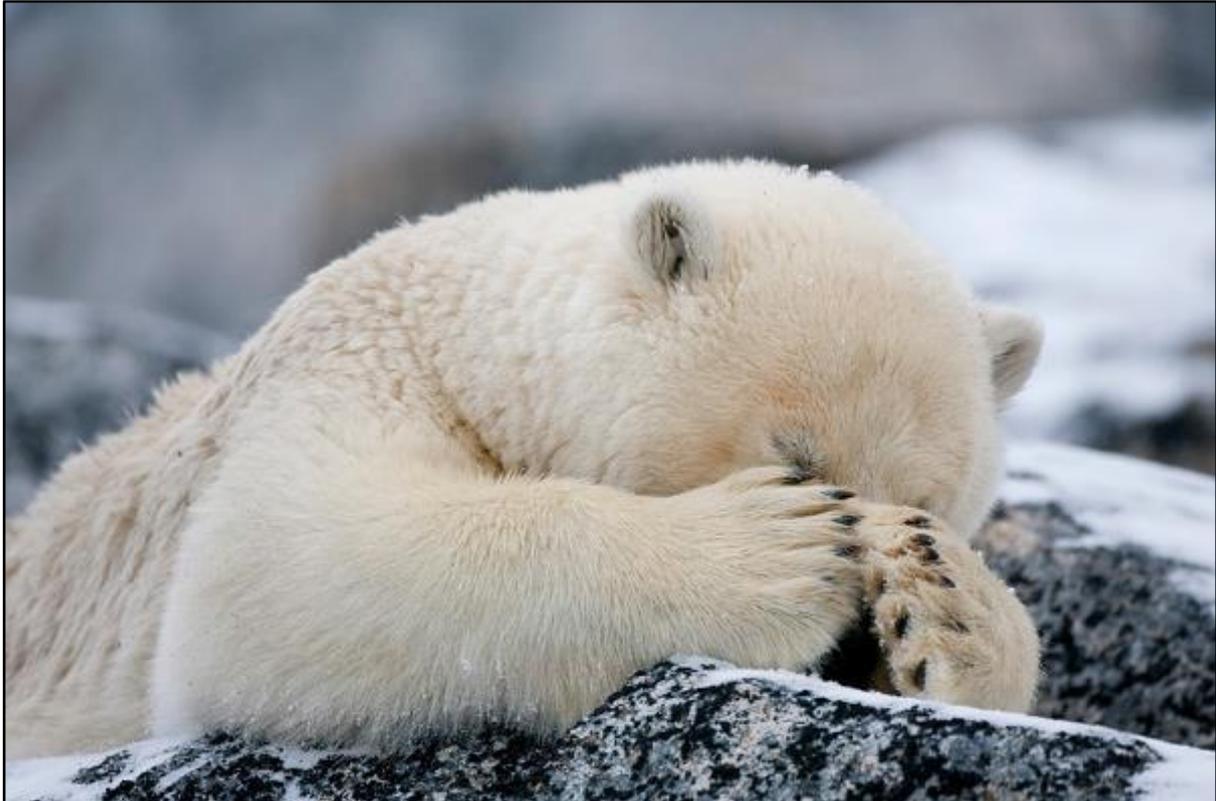

Milestones: 500 swims John Snook, 200 swims Marty Gribbon.

## POLAR BEARS – Episode # 3 : Rough

Rough conditions greeted all swimmers last Sunday so it was decided that a channel swim was the go.

While a few brave souls ventured beyond the break most floated around inside the break, pining for gentler conditions. With some admonishment and contrition and we can only hope things return to normal next Sunday with happier Polar Bears in the water and on the beach.
